**EXPLANATORY NOTES**

- The Government provides Guarantees and Counter-Guarantees against loan negotiated by various State-owned financial and non-financial enterprises. Most of them are for implementing different public policies and programmes. If the contracting organisations fail to pay their loan in-time, the guarantees are invoked and the liabilities for payment are passed on to the Government. Consequently, this may have future fiscal implication. For transparency a list of such guarantees (valid beyond 30th June 2016) is appended.
- Each Guarantee/Counter Guarantee in this list has been demonstrated in face value.
